Numbers are not to be obscured by hair, vests, or other coverings. Numbers must not be cut or altered. For fields with multiple groups racing, distinct number ranges will be assigned (when possible) to help racers distinguish other race groups, i.e. Masters 45+ and Masters 55+

Primes will be regularly awarded during each race. Primes are to be collected immediately after each race. Riders do not need to complete the race to claim primes. Primes may be in cash or product.

Free Laps may be granted for “recognized” mishaps, according to USA Cycling Regulations. Free laps end at the number of laps determined by the USAC officials.

Neutral Support will be available on a limited basis. You are encouraged to bring your own wheels for “wheels in/wheels out.” Your wheels should be tagged with your information.

Neutral Support services will be provided by Biked, and they will address mechanical issues and flats to the best of their ability. Riders suffering a mishap must make it to the neutral service pit under their own power. Riders may cut the course, but may not travel backwards on the course.

Neutral support location will be near the start finish. Riders will stage for reentry on the course under the direction of a USAC official.
